

# THE DANIEL 11 HYPOTHESIS

**(1) Also I in the first year of Darius the Mede, even I, stood to confirm and to strengthen him. (2) And now will I shew thee the truth. Behold, there shall stand up yet three kings in Persia; and the fourth shall be far richer than they all: and by his strength through his riches he shall stir up all against the realm of Grecia.**

Here you see the same blueprint as the one given in Daniel 7: Three, followed by a fourth, with the fourth being diverse from the others. Ultimately, we are talking about the one world political system: the first beast of Revelation 13.

All four beasts make up the one world government, but the reason the fourth beast is diverse from the others is because it is made of the supernatural as opposed to the other three, which are made up of flesh men. The fourth beast in Daniel 7 has ten horns which are ten kings. Fallen angels.

This pinpoints the time frame of when this beast with seven heads and ten horns emerges: the beginning of the 5 month long Hour of Temptation that begins once Satan and his angels are cast out of Heaven and unto the earth.

**(3) And a mighty king shall stand up, that shall rule with great dominion, and do according to his will. (4) And when he shall stand up, his kingdom shall be broken, and shall be divided toward the four winds of heaven; and not to his posterity, nor according to his dominion which he ruled: for his kingdom shall be plucked up, even for others beside those.**

This is speaking of Satan when he appears as Antichrist in the middle of that five month period after the first beast of Revelation 13 receives the Deadly Wound to one of its seven heads. Here in these first three verses, the entire time line of the five month period is given in a nut shell.

To run a comparison between Daniel 7 and Revelation 13, the four beasts in Daniel 7 were a lion, symbolizing royalty, then you had a bear, symbolic of communism, then the four headed leopard symbolic of the Kenites with four wings of a fowl, so there you have all Four Hidden Dynasties (Education, Economics, Politics and Religion), And isn't it interesting that Senator Barry Goldwater wrote in his book, "With No Apologies",

**"The Trilateralist Commission is international...(and)...is intended to be the vehicle for multinational consolidation of the commercial and banking interests by seizing control of the political government of the United States. The Trilateralist Commission represents a skillful, coordinated effort to seize control and consolidate the four centers of power – political, monetary, intellectual, and ecclesiastical."**

Then, last but not least, Daniel's Fourth Beast: the supernatural. Made up of Satan and his fallen angels including those ten kings that **"reign one hour with the beast"** as we know from Revelation 17. Again, this is speaking of The Hour of Temptation, which was originally seven years long, but as we know from Revelation 9, has been shortened to a five month period.

**(5) And the king of the south shall be strong, and one of his princes; and he shall be strong above him, and have dominion; his dominion shall be a great dominion.**

Keep in mind, a lion symbolizes royalty.

**"Judah, thou art he whom thy brethren shall praise: thy hand shall be in the neck of thine enemies; thy father's children shall bow down before thee. Judah is a lion's whelp: from the prey, my son, thou art gone up: he stooped down, he couched as a lion, and as an old lion; who shall rouse him up? The sceptre shall not depart from Judah, nor a lawgiver from between his feet, until Shiloh come; and unto him shall the gathering of the people be. Binding his foal unto the vine, and his ass's colt unto the choice vine; he washed his garments in wine, and his clothes in the blood of grapes: His eyes shall be red with wine, and his teeth white with milk." Genesis 49:8-12**

If you're familiar with history, then you are aware of the fact that Jeremiah took King Zedekiah's daughters to Egypt, then to Great Britain, and the king line proceeded on from there. Judah being the King Line, symbolized by a lion. From Judah would eventually come King David.

**"For thus saith the LORD; David shall never want a man to sit upon the throne of the house of Israel" Jeremiah 33:17**

Eventually the Lord Jesus Christ will return as King of kings and Lord of lords to rule the nations with a rod of iron. As we know from Luke 3, which gives the genealogy of Mary, Christ directly descended from King David.

What is the Book of Daniel about, basically? The time of the end. And we know the final generation began in 1948, so let's start there:

Who was the King of England in 1948?

King George VI.

Prince Charles was born that same year to Queen Elizabeth II who would become Queen of England in 1952.

**(6) And in the end of years they shall join themselves together; for the king's daughter of the south shall come to the king of the north to make an agreement: but she shall not retain the power of the arm; neither shall he stand, nor his arm: but she shall be given up, and they that brought her, and he that begat her, and he that strengthened her in these times.**

For the first time ever, in recorded history, a British Monarch visited Post Soviet Russia. Queen Elizabeth II, a blood relative of Nicholas II, the Czar of Russia, before his brutal murder at the hands of Bolshevik Revolutionaries (in accordance with the Kenite's hostile takeover of Russia) a little over 70 years before the queen's historic visit to the Kremlin in 1994.

Over the next several years, the European Union grew into it's current version, made up of over 2 dozen states.

**(7) But out of a branch of her roots shall one stand up in his estate, which shall come with an army, and shall enter into the fortress of the king of the north, and shall deal against them, and shall prevail:**

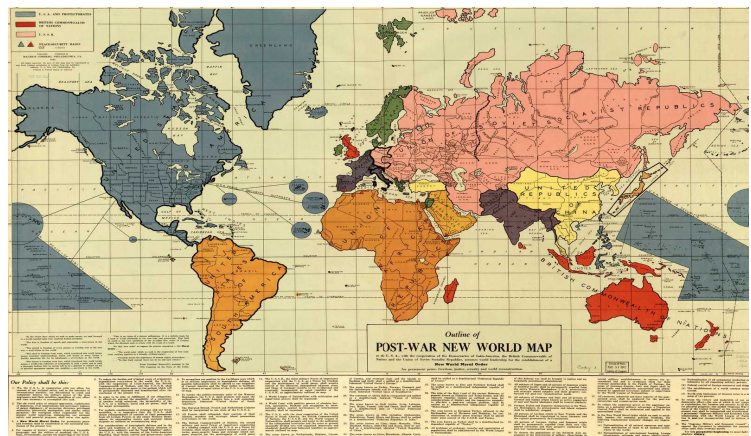

## European Union vs the Eurasian Customs Union

■ Eurasian Customs Union member states ■ European Union member states ■ States that could be a prospective member of either union  
■ Eurasian Customs Union candidate states ■ Potential European Union member states

So this European Union grows **"out of a branch of her roots"**, **"her"** being the Queen. In other words, the EU grew out of the UK. But how is the EU entering into the fortress of the King of the North? (That is to say, Russia)

Let's look at this 'Post-War New World Map' from 1942 and assume this was the original New World Order blueprint, but as you can see: the EU has entered into what (in theory) Russia planned to integrate into its Eurasian Customs Union. So you have a tug-of-war going on here as is plainly visible.

Here, we see a more recent hypothetical map of the one world system.

As far as the accuracy of this map is concerned, time will tell.

**(8) And shall also carry captives into Egypt their gods, with their princes, and with their precious vessels of silver and of gold; and he shall continue more years than the king of the north.**

Egypt is always symbolic of bondage, and what you have in the captivity of the end times is bondage to the one world government system. But that does not mean that Egypt is not literally involved.

Of course it is. It is a **global** government.

**(9) So the king of the south shall come into his kingdom, and shall return into his own land. (10) But his sons shall be stirred up, and shall assemble a multitude of great forces: and one shall certainly come, and overflow, and pass through: then shall he return, and be stirred up, even to his fortress.**

Now, we are not only theorizing that this King of the South is the EU; the British Monarchy extends to Canada, Australia, New Zealand, South Africa and the list goes on and on. Jacob fathered the 12 patriarchs of the 12 Tribes of Israel which included Judah, from which the British Monarchy originates. Not only that, but we must also take into consideration the 10 tribes that went north over the Caucasus Mountains, settled into Europe (Now the EU), and then migrated over to the Americas which are still south of Russia any way you slice it.

Where did the Russians come from? Well, Jacob had a twin brother named Esau who also fathered 12 patriarchs and before Jacob and Esau were even born, they struggled together in their mother's womb.

**“And the LORD said unto her, Two nations are in thy womb, and two manner of people shall be separated from thy bowels; and the one people shall be stronger than the other people; and the elder shall serve the younger.” Genesis 25:23**

Now, as often as Jacob and Esau are mentioned throughout the Word of God, it stands to reason that it is highly likely that it is Jacob and Esau that are being referred to here in this eleventh chapter of the Book of Daniel. But you must do your own research, draw your own conclusions and make your own mind up.

**(11) And the king of the south shall be moved with choler, and shall come forth and fight with him, even with the king of the north: and he shall set forth a great multitude; but the multitude shall be given into his hand.**

This is not a war as one would usually think of war necessarily, this fighting can be all sorts of things and in multiple layers and levels. Through diplomacy, economics, the mainstream media and so forth. You remember the Cold War. And in recent years, the disputes between the United States and Russia over the crises in Syria and the Ukraine seem to have re-ignited the tensions.

Remember, in this hypothesis, the King of the South is Jacob, which is all twelve tribes and the King of the North is Esau, also known as Edom.

**(12) And when he hath taken away the multitude, his heart shall be lifted up; and he shall cast down many ten thousands: but he shall not be strengthened by it.**

And again, this **“taken away the multitude”** may very well be referring to adding nations into a union.

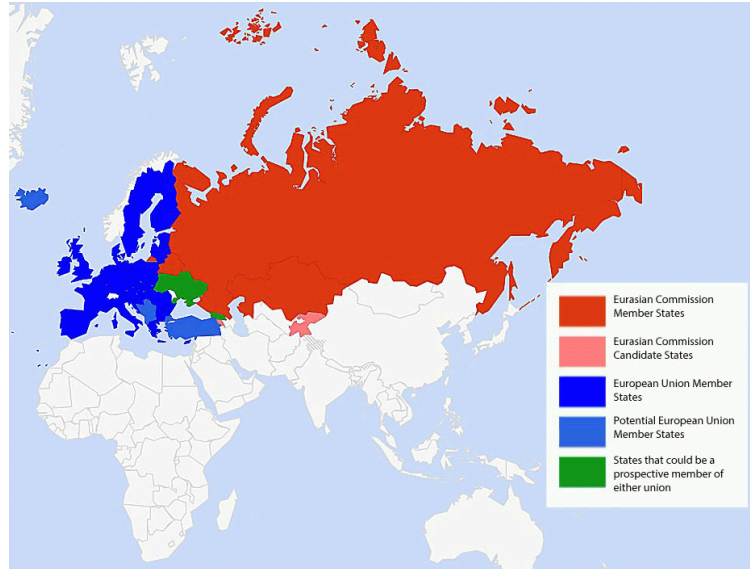

Remember: it is a seven headed beast that's formulating here.

## The New World Order

**(13) For the king of the north shall return, and shall set forth a multitude greater than the former, and shall certainly come after certain years with a great army and with much riches.**

The Soviet Union fell in 1991, but here, Esau is forming the Eurasian Customs Union as well as BRICS, a competing world economic system including Brazil, India, China and South Africa. So, “the King of the North” shall return and shall set forth a multitude.

You may want to refer to Ezekiel 38 and 39 if you are not familiar with it. You will find in Ezekiel 39:11 **“Gog and all his multitude”** and the **“chief”** (“Rosh” in the Hebrew, from which the word “Russia” originates) **“prince of Meshech and Tubal”** as it is written in Ezekiel 38, verse 2. So pay attention to who and all Russia is uniting with as these prophecies unfold before our very eyes!

**(14) And in those times there shall many stand up against the king of the south: also the robbers of thy people shall exalt themselves to establish the vision; but they shall fall.**

**“The robbers of thy people”** are obviously the Kenites. The Sons of Cain who claim to be of Judah, but are actually the literal children of the devil.

**(15) So the king of the north shall come, and cast up a mount, and take the most fenced cities: and the arms of the south shall not withstand, neither his chosen people, neither shall there be any strength to withstand.**

Again, this is a Land Grab to induct nations into the one union or the other with the Kenites, as usual, playing both sides.

**(16) But he that cometh against him shall do according to his own will, and none shall stand before him: and he shall stand in the glorious land, which by his hand shall be consumed.**

I am of the opinion that this chapter now branches off into a separate series of rulers that are not the King of the South or North because the verse reads **“he that cometh against him”**, the **“him”** being the King of the North.

So you will have this one that comes against the King of the North, followed by the One Who Sends Out a Raiser of Taxes, followed by Satan. First, in his role as the dragon, then in his role of Antichrist when he appears in Jerusalem in the middle of the five month period at the sixth seal, the sixth trumpet and the sixth vial.

**(17) He shall also set his face to enter with the strength of his whole kingdom, and upright ones with him; thus shall he do: and he shall give him the daughter of women, corrupting her: but she shall not stand on his side, neither be for him.**

When you look up the word “daughter” in your Strong's Concordance, you will find, over and over again: **“Daughter of Zion”, “Daughter of Jerusalem”, “Daughter of Judah”, “Daughter of My People”**.

So again, we have Jerusalem being pointed to.

In as much as we know that to be the geographical location in which Satan appears as the false messiah, it adds up.

But, again, I caution you to do your own research on this and make up your own mind.

(18) After this shall he turn his face unto the isles, and shall take many: but a prince for his own behalf shall cause the reproach offered by him to cease; without his own reproach he shall cause it to turn upon him.

“**Reproach**” comes from #2778 in your Strong’s Hebrew Dictionary: “to pull off, to expose, surrender, blaspheme” and since he was corrupting “the daughter of women” in the last verse, the word seems most likely to be “blaspheme”. And, as Christ said in verse 10 of the second chapter of The Book of Revelation:

**“I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan.”**

(19) Then he shall turn his face toward the fort of his own land: but he shall stumble and fall, and not be found.

So apparently whoever, or whatever this is does not originate from the land of Judah because he “**shall turn his face toward the fort of his own land**”. And, whether it be the actuality or a type, Napoleon (whose name is derived from the Greek word Apollyon) fits the mold as a possible candidate, especially when you read this excerpt from an article that appeared in the Jerusalem Post in May of 2011:

“...military forces were not the only tactics employed by Napoleon in his attempt to control Acre. The city’s ruler and commander, Jezzar Pasha, had a trusted ‘Jewish’ advisor whom Bonaparte attempted to win over with a surprising declaration. On April 20, 1799, Napoleon Bonaparte had an order penned, declaring that when he conquered the territory, ‘Jews’, who he called the ‘rightful heirs of Palestine,’ would inherit the land.

‘France and his army,’ Napoleon wrote to the ‘Jews’ in what many today point to as one of the first iterations of modern Zionism, ‘offers to you at this very time, and contrary to all expectations, Israel’s patrimony.’ Haim Farhi, Jezzar Pasha’s advisor, was not, however, wooed by the French general’s promises of ‘Jewish’ sovereignty in the land of Israel.

Although it is widely believed that his intentions in penning the declaration were more influenced by a desire to incite the ‘Jews’ living under and serving the Ottomans to betray them, Bonaparte did make other declarations implying sympathy for the ‘Jewish’ people’s longing for the land of Israel. Albeit written in hindsight and over a year after his defeat in Acre, Napoleon wrote, “If I governed a nation of ‘Jews’, I should reestablish the Temple of Solomon.” As it is, however, the French general never had a chance to prove whether he was serious in these declarations or if they were simply tactical statements designed to ferment an insurrection by the ‘Jews’ of Palestine.”

(20) Then shall stand up in his estate a raiser of taxes in the glory of the kingdom: but within few days he shall be destroyed, neither in anger, nor in battle.

The Interlinear Bible by J.P. Green translates this verse as:

**“Then one who sends a tax-exactor shall stand in his place, for the glory of the kingdom. But within a few days he will be broken, but not in anger, and not in battle.”**

So then we are talking about “one who sends” a raiser of taxes. If the predecessor of the “one who sends a tax-exactor” was, in fact, Napoleon Bonaparte, then we would have to look for someone that immediately went into power after Napoleon fell. And that will lead you directly to the family who not only bought the land of Palestine and manipulated world politics through their global banking cartel, but are the family behind the formation of the Bavarian Illuminati who, through the 4 hidden dynasties, bring about the New World Order. I am, of course, referring to The Rothschilds.

**The scam that's playing itself out now began on June 18, 1815 with a courier working for Nathan Rothschild. The courier was reporting on events in the Battle of Waterloo, and he reported what he saw to Rothschild; which was that Napoleon was being beaten. The story of how Nathan Rothschild was able to take advantage of these circumstances is below. The result was that he created his own empire after he acquired ownership of the Bank of England (The principal bank among the twelve Central Banks of the World today). The Fed is the privately owned and controlled American Central Bank. "When Nathan Rothschild received the news on June 20, he informed the government, who did not believe him. So, with everyone believing Wellington to be defeated, Rothschild immediately began to sell all of his stock on the English Stock Market. Everyone else followed his lead, and also began selling, causing stocks to plummet to practically nothing. At the last minute, his agents secretly began buying up the stocks at rock-bottom prices. On June 21, at 11 PM, Wellington's envoy, Major Henry Percy showed up at the War Office with his report that Napoleon had been crushed in a bitter eight hour battle, losing a third of his men. This gave the Rothschild family complete control of the British economy, and forced England to set up a new Bank of England, which Nathan Rothschild controlled." (1) This pattern of crisis creation (the financing of both sides of every conflict) and the manipulation that flows from it has continued throughout the world's financial circles, from that day to this, including both World Wars and hundreds of other conflicts besides. The pattern is simple but depends heavily upon instilling the very real fear of monetary collapse coupled with playing the margins on stocks and investments "in times of war."**

**From Waterloo To Wall Street And Everything In-between  
by Jim Kirwan**

As you can see, the Rothschilds are at the tip of the spear when it comes to the formulation of the one world system. As ‘Secrets of the Federal Reserve’ author, Eustace Mullins, once said:

“The Rothschilds invented Zionism, Fascism, Nazism and Communism all in 1830 in Germany and there is not a dime's worth of difference between any of them.”

So then it is plain to see that the Kenites always have a leader as promised to them by God Himself in Jeremiah 35. The Kenites carry out the negative part of God's Plan through the Four Hidden Dynasties and will hand that global control of the world over to their father, the devil, upon his arrival on earth with his fallen angels after they are cast from heaven at the beginning of the five months.

**(21) And in his estate shall stand up a vile person, to whom they shall not give the honour of the kingdom: but he shall come in peaceably, and obtain the kingdom by flatteries.**

This "vile person" is Satan himself.

Revelation 13:1 should have been translated **"And the dragon stood on the sand of the sea. And I saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the names of blasphemy."**

This is the same point in time as Daniel 11:21 and you have the entire time line of the five month long Hour of Temptation given in Daniel 9:27:

**"And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate."**

This is speaking of the final 7 years before The True Christ returns which we know from Revelation 9 has been shortened to a 5 month period. As you can see, Satan does not appear as Antichrist until the **"midst of the week"**.

So then we're dealing with a five month period split in half into two "half hour" segments of the Hour of Temptation. What is half of five months? Two and a half months. Remember Revelation 8:1 where we read of a **"silence in heaven about the space of half an hour"**? So Satan is on earth the entire 5 months but does not appear as the False Christ until **"the midst of the week"**, in other words, the middle of the 5 month Hour of Temptation.

**(22) And with the arms of a flood shall they be overflown from before him, and shall be broken; yea, also the prince of the covenant.**

This verse should take your mind directly to Revelation 12, which not only solidifies the time frame even further, but lets us know the role Satan will be playing prior to his appearance as Antichrist:

**"And when the dragon saw that he was cast unto the earth, he persecuted the woman which brought forth the man child."**  
**Revelation 12:13**

That woman being symbolic of Mother Israel, the man child is Jesus Christ, who was born of a virgin whose bloodline had been kept pure. Mary was a full blooded Israelite.

**"And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent."**  
**Revelation 12:14**

Here you have the time given. Originally 3 and a half years but having been shortened: two and a half months. The **"two wings"** here most likely symbolize the two witnesses and this tells us what they will be doing during that first half hour. In contrast to Satan not appearing until the halfway mark, it stands to reason that the two witnesses arrive at the beginning of the five months, or just beforehand, but do not begin their prophesying until the middle, or just beforehand, seeing as how their time is given in days (solar) as opposed to Satan's time being given in months (lunar). In solar time, they have about 10 more days than Satan. Five months in the lunar would be five twenty-eight day lunar cycles: 140 days. But as far as the solar is concerned, 150 days are mentioned in Genesis 7 in regard to the flood of Noah. The flood of the end times, however, is a different sort of flood:

**"And the serpent cast out of his mouth water as a flood after the woman, that he might cause her to be carried away of the flood."**  
**Revelation 12:15**

There you have the flood mentioned. Connecting these verses to the Book of Daniel. In the next verse we learn what this flood is:

**"And the earth helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth."**  
**Revelation 12:16**

A flood of lies.

Notice Satan is specifically called "the dragon" repeatedly in these verses, alternating with "the serpent", letting you know these verses are a continuation of Satan's attacks on True Israel, which is who this woman is symbolic of. Compare these verses with Genesis 3:15 also.

**"And the dragon was wrath with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ."**  
**Revelation 12:17**

This is in reference to God's Election. Those chosen in the first earth age because they stood against Satan during his original rebellion.

This is a long, drawn out spiritual war being spoken of that is finally coming to an end. Once Satan appears as Antichrist in the middle of the tribulation, God's Election will be delivered up, at which time The Holy Spirit will speak through them as it is written in Mark 13 as well as many other places. The Companion Bible by E.W. Bullinger also points out that in the original Greek texts, Revelation 12:17 contains the first clause of Revelation 13:1 "altering to 'he stood'". The "he" being the dragon, as you can see in 12:17 for yourself. In other words: **"And the dragon stood on the sand of the sea"**.

It is paramount for us to understand the order of events as best we can.

We now return to Daniel 11...

**(23) And after the league made with him he shall work deceitfully: for he shall come up, and shall become strong with a small people.**

This **"league"** is that **"covenant with many"** we read of in Daniel 9:27. "The Covenant of the League of Nations" was just a glimpse of this de facto one world government that will come into being at the beginning of that five month period.

These **"small people"** are, of course, the Kenites: the offspring of the serpent who formulated the one world system that finally emerges at the beginning of the Hour of Temptation. There are not all that many Kenites, therefore they are a **"small people"** as far as numbers go. These are the tares spoken of by Christ in Matthew 13.

**(24) He shall enter peaceably even upon the fattest places of the province; and he shall do that which his fathers have not done, nor his fathers' fathers;**

That is to say, none who came before him were as successful at playing politics. And no marvel. Who do you suppose invented international politics?

**he shall scatter among them the prey, and spoil, and riches: yea, and he shall forecast his devices against the strong holds, even for a time.**

Underline the last three words of that last verse. "for a time". Satan has yet to appear as Antichrist from what I can tell, and what is evidently taking place in these first two and a half months are a lot of behind the scenes political negotiations involving the fine tuning of the one world system just as you would see with any radical political shift, only this will be on an unprecedented level because these are supernatural entities: The dragon and his angels.

To gain an even clearer understanding of this, read Revelation 13:2 again: **"And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority."**

Underline that word **"seat"** because that is what the fifth vial is poured out on in Revelation 16, **"the seat of the beast."**

Satan does not appear as Antichrist until the sixth vial, so this again indicates that we're dealing with two two and a half month periods of time. Also notice, Satan is cast out of Heaven in the fifth trumpet, but does not appear in Jerusalem until the sixth trumpet, sixth seal and sixth vial: 666.

So then, what happens during the first two and a half months? We're reading it now. Apparently, he plays a different role, that of the dragon. But, again, make up your own mind, study it for yourself and do your own research.

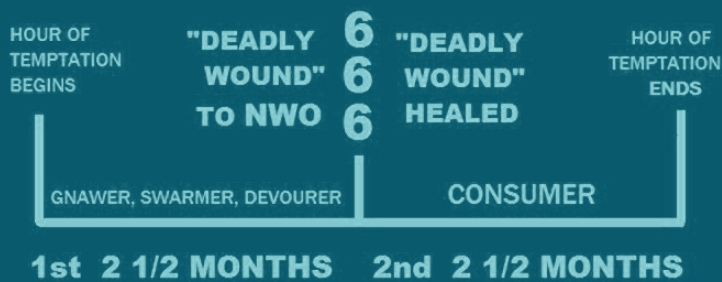

**(25) And he shall stir up his power and his courage against the king of the south with a great army; and the king of the south shall be stirred up to battle with a very great and mighty army; but he shall not stand: for they shall forecast devices against him.**

IF this King of the South is, in fact, Jacob, which is all 12 tribes including those grafted in through Christ's blood shed on the cross, then that would include several nations, and this could very well be in direct reference to the Deadly Wound or closely associated with it. We know from Ezekiel 38 and 39 that Russia and the nations with him will attempt to invade America just before the Seventh Trumpet sounds and the Seventh Vial is poured out. Whether or not that is the great army Satan goes against the King of the South with during this time is uncertain. Seeing as how this takes place in the fifth trumpet, it makes more sense that this is speaking spiritually and that this is Satan's Locust Army: the fallen angels.

There are four stages of the Locust Army given in the Book of Joel. In the Hebrew, they are the Gnawer, Swarmer, Devourer and Consumer. The term of the locust is a five month period from May to September. Whether or not the five month long Hour of temptation will transpire during these specific months is unknown, but it is possible. So watch. The Locust Army are exclusively the fallen angels, so these four stages would have to occur during the five months. The first three stages most likely occur in the first half of the Hour of Temptation, the fourth and final stage begins when Satan appears.

# FIVE MONTHS

MARK 13RECORDS.COM

**(26) Yea, they that feed of the portion of his meat shall destroy him, and his army shall overflow: and many shall fall down slain.**

Slain spiritually because of the deception of Satan's Locust Army. We know from Revelation 9 that they are an army of deception.

**"And to them it was given that they should not kill them, but that they should be tormented five months: and their torment was as the torment of a scorpion, when he striketh a man"**

This is the deception that brings about the spiritual death once Satan appears as Antichrist, so this verse looks forward to that time. The Deadly Wound to one of the seven heads of the first beast, the one world system, gets healed when everyone thinks Jesus has returned. Only it is the fake Jesus: Satan as Antichrist.

Satan is both the dragon and the false prophet. The false prophet is Satan's role of Antichrist. They are simply different roles he plays. Everything Satan does is a cheap fabric imitation of God. God has a Holy Trinity of the Father, The Son and The Holy Spirit and Satan's counterfeit, the unholy trinity, consists of the dragon, the false prophet and the beast. One individual with three offices.

**(27) And both of these kings' hearts shall be to do mischief, and they shall speak lies at one table; but it shall not prosper: for yet the end shall be at the time appointed.**

YET the end shall be at the time appointed. So we have not yet come to the sixth trumpet but are still in the fifth trumpet. This word "mischief" is "evil".

**(28) Then shall he return into his land with great riches; and his heart shall be against the holy covenant; and he shall do exploits, and return to his own land.**

Where his children are, maybe? The Kenites? That is the land of Israel where they reside. The Synagogue of Satan: those who say they are Jews but do lie and are the Synagogue of Satan. And when you go and do your own research, you'll find this area was purchased by the House of Rothschild. So that would be how it's "his own land", because his children bought it. The Kenite Rothschilds.

**(29) At the time appointed he shall return, and come toward the south; but it shall not be as the former, or as the latter.**

At the time appointed, in the midst of the week, the middle of that five month long Hour of Temptation.

**(30) For the ships of Chittim shall come against him: therefore he shall be grieved, and return, and have indignation against the holy covenant: so shall he do; he shall even return, and have intelligence with them that forsake the holy covenant.**

In the next verse, verse 31, we will see Satan's appearance as the false Christ. This is when the deadly wound to the one world government will be healed. Anyone who was opposing the first beast will cease to oppose it because they will think Jesus has returned, when in reality, it will be Satan as Antichrist. All but God's Elect will whore after Satan thinking him to be Jesus returned because of their ignorance of the Truth of God's Word.

It then stands to reason that verse 30 points toward that Deadly Wound to the New World Order. We know from Revelation 13 that the wound is to one of the seven heads and that it is by a sword. We have seen governments go belly up before and it usually happens as a result of rebellion against it from within. Time will tell.

Keep in mind that the Two Witnesses will begin their prophesying right around this time.

**(31) And arms shall stand on his part, and they shall pollute the sanctuary of strength, and shall take away the daily sacrifice, and they shall place the abomination that maketh desolate.**

This is when Revelation 13:11 occurs:

**"And I beheld another beast coming up out of the earth; and he had two horns like a lamb and he spake as a dragon."**

This is the sixth seal, the sixth trumpet and the sixth vial. Satan appears in Jerusalem with **"two horns like a lamb"**. The Antichrist is Satan himself disguised as Jesus Christ.

**"and he spake as a dragon"** because he IS the dragon.

This is what Paul wrote of in Second Thessalonians 2 and what Christ was speaking of in Matthew 24:15 when He said:

**"When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:) Then let them which be in Judaea flee into the mountains:"**

**(32) And such as do wickedly against the covenant shall he corrupt by flatteries: but the people that do know their God shall be strong, and do exploits.**

Those with the Seal of God in their forehead will KNOW The True Christ has yet to return and will not be fooled one bit by this clown. They KNOW to have the Gospel Armor on and in place at all times and to watch for these events to unfold using God's Word, and God's Word only, as their marching orders. They KNOW they are to allow themselves to be delivered up at which time The Holy Spirit shall speak through them.

**"Put on the whole armor of God that ye may be able to withstand the wiles of the devil." Ephesians 6:11**

**(33) And they that understand among the people shall instruct many: yet they shall fall by the sword, and by flame, by captivity, and by spoil, many days.**

God's Elect will be delivered up to "Death", which is one of Satan's names. We see a parallel to this verse in the Fourth Seal of Revelation 6.

**(34) Now when they shall fall, they shall be holpen with a little help: but many shall cleave to them with flatteries.**

"a little help" from God is more than sufficient.

**"Fear none of those things which thou shalt suffer: behold, the devil shall cast some of you into prison, that ye may be tried; and ye shall have tribulation ten days: be thou faithful unto death, and I will give thee a crown of life."**

Revelation 2:10

**(35) And some of them of understanding shall fall, to try them, and to purge, and to make them white, even to the time of the end: because it is yet for a time appointed.**

This is why you had better put forth your best efforts to understand God's Word to the best of your ability so that you do not fall into this category

**(36) And the king shall do according to his will; and he shall exalt himself, and magnify himself above every god, and shall speak marvellous things against the God of gods, and shall prosper till the indignation be accomplished: for that that is determined shall be done.**

You will find a second witness to these verses in Second Thessalonians 2:

**"Now we beseech you, brethren, by the coming of our Lord Jesus Christ, and by our gathering together unto him,**

**That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand.**

**Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition;**

**Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God."**

2 Thessalonians 2:1-4

**(37) Neither shall he regard the god of his fathers, nor the desire of women, nor regard any god: for he shall magnify himself above all.**

Satan is the original egomaniac.

**(38) But in his estate shall he honour the god of forces: and a god whom his fathers knew not shall he honour with gold, and silver, and with precious stones, and pleasant things.**

If you stay focused on Daniel 11 as a whole, this makes perfect sense. In verse 36, we learned that when Satan makes his appearance as Antichrist, he will **“magnify himself above every god”**, and in verse 37: **“he shall magnify himself above all.”** So, with that in mind, read verse 38 very carefully: **“but in his estate shall he honour the god of forces.”** This **“god of forces”** is himself that he is honouring.

But be careful not to read over the words **“in his estate”**. Remember what we read back in verse 21? **“and in his estate shall stand up a vile person.”**

There you had in Daniel 11:21 the beginning of the five months, with Satan playing the role of the dragon in the first half of the Hour of Temptation, and now we see in verse 38: **“in his estate.”** Transitioning from his political role of the dragon who gives the first beast its **“seat, and power and great authority.”** to his religious role of Antichrist. This is when it goes from a political one world system to a religious one world system with Satan as Antichrist as the one world dictator. This too is a cheap fabric imitation of God's infrastructure. Those two horns like a lamb in Revelation 13:11 are symbolic of his counterfeit of God's theocracy: the governmental and the ecclesiastical.

**(39) Thus shall he do in the most strong holds with a strange god, whom he shall acknowledge and increase with glory: and he shall cause them to rule over many, and shall divide the land for gain.**

This **“strange god”** is, of course, himself. So then it is no mystery what the “image of the beast” is in the Book of Revelation. It is, of course, an image of Satan. As you can see from Daniel 11, Satan will want all the worship directed at him alone. Again, Satan is the original egomaniac.

**(40) And at the time of the end shall the king of the south push at him: and the king of the north shall come against him like a whirlwind, with chariots, and with horsemen, and with many ships; and he shall enter into the countries, and shall overflow and pass over.**

Here you have the king of the south that shall “push” at Satan, and as a result, the king of the north shall come against the king of the south. The first “him” in that verse is Satan, the second “him” is the king of the south.

Here you have a parallel of Ezekiel 38 and 39 where Esau comes against Jacob. An invasion by Russia and various other nations of the United States through Alaska.

**(41) He shall enter also into the glorious land, and many countries shall be overthrown: but these shall escape out of his hand, even Edom, and Moab, and the chief of the children of Ammon.**

That word “chief” is #7225 in the Hebrew Dictionary of the Strong's Concordance and is from the same as #7218: Rosh.

This is the same word translated as “chief” in Ezekiel 38:2

**“Son of man, set thy face against Gog, the land of Magog, the chief prince of Meshech and Tubal, and prophesy against him”**

Edom is Esau. Russia of today. That bear nation with Moab and Ammon symbolizing the two wings of communism: Stalinism and Trotskyism. You can see this within the first two chapters of The Book of Amos.

This speaks of the destruction of communism and was written of all the way back in Genesis 27:39 and 40 when God, through Isaac, told Esau what would become of him:

**“Behold, your abode shall be from the fat of the earth and from the dew of the heaven above; and you shall live by your sword, and you shall serve your brother; and when it shall be that you fight, you shall break his yoke from your neck.”** (Interlinear Bible, by J.P. Green)

So, verse 41 is speaking of the time when Esau breaks Jacob's yoke from his neck or when he **“shall escape out of his hand”**, at the end of this flesh age. As it is written in 2 Esdras 6:7-10...

**“What will mark the parting of the times? Or when will the end of the first or the beginning of the second be? And he said to me, “From Abraham to Abraham, for from him sprang Jacob and Esau, but Jacob's hand held Esau's heel from the beginning. For Esau is the end of this age, and Jacob is the beginning of the one that follows. For the beginning of a man is his hand, and the end of a man is his heel. Between the hand and the heel look for nothing else, Ezra!”**

**(42) He shall stretch forth his hand also upon the countries: and the land of Egypt shall not escape.**

Egypt is symbolic of bondage.

**(43) But he shall have power over all the precious things of Egypt: and the Libyans and the Ethiopians shall be at his steps.**

We saw a verse concerning **“the precious things of Egypt”** in the eighth verse of this chapter as well, looking forward to this **“time of the end”**

**“And shall also carry captives into Egypt their gods, with their princes, and with their precious vessels of silver and of gold; and he shall continue more years than the king of the north.”**

Notice in verse 43, **“the Libyans and the Ethiopians”** are mentioned. Yet another parallel with Ezekiel 38, this time, in verse 5:

**“Persia, Ethiopia, and Libya with them; all of them with shield and helmet”**

**(44) But tidings out of the east and out of the north shall trouble him: therefore he shall go forth with great fury to destroy, and utterly to make away many.**

**(45) And he shall plant the tabernacles of his palace between the seas in the glorious holy mountain; yet he shall come to his end, and none shall help him.**

Keep in mind that the Battle of Hamon-Gog is the one written of in Ezekiel 38 and 39, while the Battle of Armageddon is written of in Revelation 16 and 19. These take place at the same time: upon the return of The True Christ.

**“And I saw the beast, and the kings of the earth, and their armies, gathered together to make war against him that sat on the horse, and against his army.”** Revelation 19:19

To make war against The True Christ. This the Battle of Armageddon.

**“And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshiped his image. These both were cast alive into a lake of fire burning with brimstone.”** Revelation 19:20

These are not two individuals. This is Satan's one world system and his role of Antichrist being destroyed forever. Satan himself will be bound for a thousand years in the bottomless pit, after which he will be cast into the Lake of Fire along with whoever chooses to follow him at that time.

**“And the remnant were slain with the sword of him that sat upon the horse, which sword proceeded out of his mouth: and all the fowls were filled with their flesh.”** Revelation 19:21

This happens at the exact same time as the Battle of Hamon-Gog. After the Seventh Vial is poured out upon the return of the True Christ when all flesh is changed into spiritual bodies.

**“And there fell upon men a great hail out of heaven, every stone about the weight of a talent: and men blasphemed God because of the plague of the hail; for the plague thereof was exceeding great.”** Revelation 16:21

In closing, in Ezekiel 38:19-23, God says:

**“And it shall come to pass at the same time when Gog shall come against the land of Israel, saith the Lord God, that my fury shall come up in my face.**

**For in my jealousy and in the fire of my wrath have I spoken, Surely in that day there shall be a great shaking in the land of Israel;**

**So that the fishes of the sea, and the fowls of the heaven, and the beasts of the field, and all creeping things that creep upon the earth, and all the men that are upon the face of the earth, shall shake at my presence, and the mountains shall be thrown down, and the steep places shall fall, and every wall shall fall to the ground.**

**And I will call for a sword against him throughout all my mountains, saith the Lord God: every man's sword shall be against his brother.**

**And I will plead against him with pestilence and with blood; and I will rain upon him, and upon his bands, and upon the many people that are with him, an overflowing rain, and great hailstones, fire, and brimstone.**

**Thus will I magnify myself, and sanctify myself; and I will be known in the eyes of many nations, and they shall know that I am YHVH**
